

Privacy policy MTDay.nl

Handling your personal data

MTDay.nl guarantees that your personal data is being handled as carefully and securely as possible. In doing so, it complies with the privacy legislation.

In this policy we explain what personal data we process, how we handle them and how you can contact us if you have any questions.

What do we do with your data

As part of our service, MTDay.nl records data (for example, your name, e-mail address and in some cases your telephone number and address). MTDay.nl uses this data for the implementation of the relevant agreement. Your data will be used by MTDay.nl to communicate with you, for example for shipments, invoices, newsletters or updates.

Automated decision making

MTDay.nl does not take decisions based on automated processing about issues that can have (significant) consequences. Your information is being processed by computer programs or systems, without a human being present (e.g. employee of MTDay.nl).

We will never sell your data or provide it to third parties.

Changing data

You have the right to view, correct or delete your personal data. Please contact us so we can provide any assistance.

You can always change your personal information yourself after you have logged in to MTDay.nl.

Adjustments in the privacy policy

MTDay.nl reserves the right to change this privacy statement. Consult this statement as regularly as possible to be aware of all the changes
